**Women's Euro 2022**

Dear Parents/ Carers,

**This has been a term of celebrations from 'Student of the Year' and 'Subject Stars', recognised in Celebration Assemblies, to school achieving Platinum School Games Mark as well as gaining the Eco Schools Green Flag award once again.**

GCSE examinations took place this term for the first time in three years and our students rose to the challenge to demonstrate their ability and resilience. We look forward to celebrating with them and their families when they receive their results on 25th August.

There have been many transition visits taking place for those students moving on to college, apprenticeships and internships in September. Our very best wishes go to the Year 11 and our 6th Form students leaving us this week as they embark on the next stage in their academic careers.

**We've held some fantastic events this term, including the whole school Culture and Creativity day, when children had a go at Falconry, crafting, dancing, inflatables and relaxed in an American style diner. Equally our Year 8 and 9 students enjoyed a Multicultural market day with taster experiences from many countries.**

As always, we have seen so many sporting opportunities for our children and seen success in cricketing competitions, football tournaments and **watched the legendary English Women's Euro team.**

Much of this year has been spent in planning our school move. As you will by now be aware, building work is taking place at the old Kingsway Academy site in preparation for our move. Phase 1 will be completed in time for some of our students to start there in September. The remainder of our students will follow as soon as the building work is complete. This is an exciting time for us, but will take a lot of work to physically move everything required. With this in mind, Thursday 1st September will be an

**Inset day for staff training and Friday 2nd September will be a 'transition' day when school will be closed to pupils and students to allow for the movement of furniture and equipment required at the new site. Those children moving into Years 8, 9, 10 & 11 will commence school on Monday 5th September at the current site. 6th Form students will commence Wednesday 7th at the new site and our new Year 7 will be split between the two sites, starting on Thursday 8th September. We are hoping the whole school can be back together at our new site early in the new year. You will be kept updated with progress reports.**

Thank you all for your patience and continued support as we steer our way through the challenges of a relocation and I wish you all a healthy and happy break.

Kim Webster

Headteacher, July 2022

# Knife Angel

Year 10 students had a brilliant day-out organised by PC Emma Hodgson. Birkenhead Park was the venue for a Knife Crime awareness day, featuring a visit to see the 'Knife Angel.' Workshops from The Police Matrix team, NHS & LFC Foundation followed. A fantastic opportunity!

Mr Stanley

# Congratulation!

Well done to Katie, Year 11, who was awarded 'Student of the Year' and presented with a cheque for £100 kindly donated by the Masons.

...every school day counts!

But, if your child is not able to attend school, please call our school office to let us know: 0151 606 9440.

Thank you!

## TRAVEL & TOURISM AT CLARE MOUNT

This term, Year 10 and 11 students have been looking at places we could visit for a day out over the summer.

Connor suggests Go Ape which offers activities, such as the Forest Segway Safari, Tree Top Adventure and Trekking. This is good for anyone who likes a challenge and likes the outdoors.

Go to the website - [goape.co.uk](http://goape.co.uk)

Ronnie-Ray recommends The Blackpool Tower Dungeons.

[www.thedungeons.com/blackpool](http://www.thedungeons.com/blackpool)

The Blackpool Tower Dungeons is an entertaining attraction where you can basically learn about events in history such as the plague, with actors and sets. It's also got a drop tower ride.

A standard ticket costs £14.

Harrison looked at The Aqua Park which is an inflatable obstacle course on the water in Albert Dock.

Wild Shore Water Park, L3 4AD

£18.00 per person [www.wildshoreliverpool.co.uk](http://www.wildshoreliverpool.co.uk)

Melissa Morris recommends the Blackpool Air Show which is taking place on

August 13 and 14<sup>th</sup>. The Red arrows, the RAF typhoons and the AeroSuperbatics Wingwalkers are displaying on both days.

Jodie and Lennon looked at what the The Brim Stage Maze Birkenhead, Wirral CH63 6JA, has to offer for families. <https://www.brimstagemaze.co.uk>

The pop up maze opens 16.7.2022 for the summer. It is fun for younger kids, older kids and adults!

Nikita explored the Legoland Discovery Centre at the Trafford Centre in Manchester. Have fun with the Ninja go city adventure, Lego 4d cinema, Space mission and the Earthquake Table.

Morgan suggested **Tam OShanter's cottage urban farm**, Bidston and it's FREE!

See the goats, pigs, the horses and ponies. Have lunch on the bench with your family and have a look around the shop.

Have a fantastic summer and enjoy exploring!

Mrs K. Spracklen

# Year 7

Loads of fun on the Yr7 end of year trip! Everyone had a fabulous day. They were all very tired on the train ride home!

After being recognised by Wirral Borough Council for the 'Be the difference' Award in 2021 for outstanding contribution during lockdown, and for producing a Dance Film which gave opportunities for children all over Wirral to perform, Clare Mount decided to collaborate with Wirral School Games and Shadow dance to make this year, bigger and better than ever before! 350 children came together on Wednesday 22nd June at the Floral Pavillion in New Brighton, to perform in a matinee and evening show! Eighteen Schools and Community groups worked hard over the last few months to produce an amazing celebration of their hard work and commitment to Dance. The show was coordinated by Mrs Poynton, Dance Teacher from Clare Mount, along with Mrs Corcoran and the Wirral School Games Organisers. The show had a variety of Dance styles and included wheelchair dance, seated dance and many different genres!

Fourteen dancers, from three different groups of Clare Mount students, represented our school. I am so amazingly proud of each and every one of them for not only their astounding performances, but for their hard work and commitment throughout the whole rehearsal process

The audience were in tears with emotion when they saw their young people doing what they love and celebrating all of their hard work. They really were a credit to us all!

A huge thank you so all the staff involved in supporting the dancers and of course to all the audience who came to watch what they are truly made of!

Congratulations to you all!

Mrs Poynton

Friday 8<sup>th</sup> July saw Clare Mount open its golden doors to our Year 11 and 6<sup>th</sup> Form Prom attendees. The school hall was transformed, there was a bit of Hollywood glamour mixed in with some James Bond class. Students and staff pulled out all the stops and, in true James Bond style, were dressed to kill!

No Prom is complete without a King and Queen and this **year's winners were Scott and Molly** – well done! We also had a Best Dressed Award for Rachel, who looked lovely.

A massive thank you to all staff who helped to make this such a fantastic, memorable night – same again next year?

Mrs Neill

## 'Move and Groove' Clare Mount School, Intergenerational Music

Mrs Poynton had some fantastic training back in May with The Youth Sport Trust and a Music Therapy Company called IMM (Intergenerational Music Making). This training was around a project called 'Move and Groove'.

Move and Groove is an intergenerational project which uses music, singing and movement to engage different generations through a 6 - week course.

This pilot project is being researched by The Southbank University in London and focuses on tackling loneliness and also its affect on mood, and self -confidence.

7 Pupils from Clare Mount have been attending Upton Grange Care home every Wednesday for the past 6 weeks and have been absolutely amazing! They were very nervous to start with, but quickly got into singing, moving and grooving, and making friends with the residents.

As the weeks have gone on, their confidence has grown, and they now have made some fantastic connections, and are leading on some of the activities. It has been a pleasure to get to know the residents, who have loved seeing the children each week.

The data for the research has now been collected and a report will be written by October - what a great opportunity to be part of the very first pilot for this research.

This is not the end for 'Move&Groove'. In September children from Clare Mount will continue their work, in more care homes and communities!

Well done to all involved,

Mrs Poynton

# Multicultural Market

On 5<sup>th</sup> July we had visitors in from MEAS, (the Minority Ethnic Achievement Service) who are based on the Wirral and aim to:

- raise achievement in schools
- remove language barriers
- provide access to the curriculum
- raise self-esteem
- encourage social integration.

They helped Clare Mount to deliver a Multicultural Market event to our Year 8 and 9 students.

Our visitors, along with members of staff from Clare Mount, represented 9 countries including Bangladesh, France, Spain, Egypt, Mexico, Pakistan, Germany, a Refugee Camp and Ukraine. We were especially fortunate to have two Ukrainian guests living on the Wirral come into school and discuss their story about coming to live in the UK.

Students were able to visit four different 'countries', learn about their traditions, language, food and lifestyle, while taking part in different arts and crafts and various activities.

It was a very interesting, informative and fun morning for all who attended. Students were very enthusiastic about experiencing the morning's activities.

Mrs Boyle

## 1st Clare Mount Guides

We have had a fantastic summer term at Guides! Practising our camping skills, ordering the planets and making bird feeders to name just a few. The most exciting meeting we had though was our Forest School taster session with Mrs. Glover, where we learnt to safely light and put out a fire and how to make delicious s'mores. **A huge thank you** to the girls for coming along each week, their grown-ups who pick them up and all the leaders and helpers for the hard work they do to support the unit. Details for the new Autumn term will be sent out soon and new girls are always welcome.

Mrs Fogarty

# RANDOM ACTS of Kindness DAY

Thursday 30<sup>th</sup> June, we had a Random Acts of Kindness day here at Clare Mount. This is a lovely day where in forms, Life Skills and PSHE lessons, students organise a random act of kindness for a fellow student or member of staff.

This is a lovely day and it is wonderful to see what students do to help spread kindness and joy throughout the school. It was a fabulous day of helping our students and staff feel appreciated and cared for, although, as one of our students said, 'Miss, everyone in this school is kind every day.'

Mrs Boyle

# Summer Examinations

## 2022

After two years without external examinations, the GCSE and BTEC assessments returned this year.

Congratulations to all Year 11 and Sixth Form students who sat exams this summer; you all rose to the challenge, behaving in an exemplary manner and coping with the stress exams can cause.

Thank you also to the teaching assistants and teachers who supported students with access arrangements.

Results day is Thursday 25<sup>th</sup> August, students can collect their results from school from 9:30 -11:30 am.

Mrs Nokes

# ROOKIE LIFEGUARD

This term a group of Year 7 pupils took part in a Rookie Lifeguard course with Mr Freeman at Guinea Gap Leisure Centre. The Rookie Lifeguard programme aims to give pupils the skills they need to be confident in the pool and offers the opportunity to explore water safety, gradually gaining independence and confidence while learning vital life-saving skills. During the course of this programme the pupils developed skills such as: treading water for a prolonged period of time; holding the 'HELP' position; and a variety **of rescue skills, including the 'reach rescue' and 'throw rescue'**. **The pupils thoroughly enjoyed** learning these new skills and during their last session the pupils had to swim continuously in clothing for 50m!

Mr Freeman

Clare Mount want to say a HUGE thank you to The Rotary Club for our fantastic visit from the Ice Cream van. Our students were very surprised and excited when they heard the lovely summery song of the ice cream

van coming into our playground. As always, we thank John Earp for helping our Culture and Creativity team for organising this. *A superb day!!*

*Mrs Cooper-Shone*

# Our Green Flag

Well done to Mrs Nokes, the rest of the Science Department and the rest of school (Students and Staff) as

Clare Mount has received the Eco-Schools Green Flag Award again!!!

This means we get a new green flag to fly on our flag pole.

The Eco-Schools Team stated the following in their report:

*'Your Review is incredibly detailed and has clearly taken much effort. The content is specific and gives clear guidance on practical and tangible actions that can improve the sustainability of your school.*

*We're really impressed with how you've linked environmental issues to a variety of curriculum areas and loved reading that you have had some students studying for a vocational Horticulture course this year.*

Picking strawberries

Pond dipping

*Your Eco-Board is incredibly visual and engaging and promotes your work in an attractive way. Congratulations to everyone for the great work you have done, earning your Eco-Schools Green Flag Award.*

*You should all be very proud of your work!*

Ms Evans

*wild places:*  
DISCOVER  
EXPLORE  
CONSERVE  
SHARE

This year I was lucky enough to receive some training from the Cheshire Wildlife trust on helping students become more aware of the Dee Estuary and its rich biodiversity.

This led to 9A working on their John Muir Award. The award encourages people of all backgrounds to connect with, enjoy and care for wild places. Initially we worked in school finding out about habitats along the estuary and some of the wildlife that lives there. We also had a visit from Sarah, one of the Cheshire Wildlife Rangers, who talked to us about the importance of Sea Holly as a food source for the Grayling Butterfly, which is a rare butterfly that has been found at Red Rocks. We planted some Sea Holly seeds; if they grow they will be planted out at Red Rocks to increase food sources for the Grayling.

We finally had three fieldwork trips, one to Hoylake beach to explore the area and look at how the non-raking of the beach is allowing sand dunes to start forming which will increase biodiversity. During our trips to Red Rocks we mapped Sea Holly with Charley, another Ranger, completed a butterfly survey (unfortunately we didn't see any Graylings), learnt about the Natter Jack Toad ponds and also did a litter pick.

Students who took part in the fieldwork trips received their John Muir Award Discovery Level certificates in celebration assembly on Monday. Well done, everyone.

Mrs Nokes

Planting Sea Holly seeds

Shell identification on Hoylake beach

Litter picking at Red Rocks

It has been a brilliant year for the cricketers which has culminated this final 1/2 term in winning the Merseyside Schools Cricket Tournament with victory over Alt Bridge at Alder CC, before finishing 2nd in the North West at Warrington CC

Thanks to all of the players who have worked hard attending training Mondays and Thursdays as well as representing the school in an exemplary fashion throughout the tournaments.

Thanks to Mrs Beattie, Mr Ritchie and Mr Holsgrove for their help in making sure that the students enjoyed their season both indoors and outdoors and it is great to see so many younger students coming to training and playing now. We look forward to even more success in 2022-2023.

Mr Kearney

The Performing Arts Department has been focused on the theme of 'Imagination' this term. Students have been very imaginative in Music lessons and have been creating and performing their own music compositions. Here are some photos from our Drama lessons of students being imaginative and creating different characters....

Mr Gore

## Summer Term

## Science Update

This term we have had a busy time making lots of fun gadgets and even ice cream! The regular students have been joined by some new members and it was lovely to see them interact and take the lead with the activities. A huge thank you has to go to Mrs Devlin and Miss Bober who have worked hard during the sessions to support the students and help tidy up afterwards. Science Club will be back in the Autumn Term and, as always, all KS3 students are welcome to attend (plus any of the older ones who want to help out).

Mrs Fogarty

## Year 8 Barnstondale 2022

Year 8 pupils and staff were delighted to finally be able to go on a residential to Barnstondale in June, for most of our pupils this was their first time away from home. We had a mixture of excitement and nervousness leading up to the trip from pupils and parents but on the morning, once the coach arrived, all nerves disappeared and we were on our way.

Day 1 was spent in Barnstondale Centre following a programme of exciting activities from zip wire and archery to problem solving and orienteering. All of the pupils were fantastic overcoming fears and giving new activities a go. We saw fantastic examples of curiosity, self-belief, courage, co-operation, trust and respect. After a BBQ dinner we enjoyed a sing around the campfire followed by a film and football. The pupils must have been exhausted from the day as all were fast asleep by 9.30pm.

Day 2, after a delicious breakfast, we headed off to explore Chester Zoo for the day. What looked like a drizzly day, and had Miss Neill running to the gift shop for an emergency poncho, actually turned out to be a great day. The pupils explored the zoo in their groups, enjoying a boat ride around the islands, before stopping for lunch. After more exploring and seeing all our favourite animals we headed back to school, tired and exhausted but all the worth while for the fun memories we made.

Mrs Grayson would like to thank all the staff and pupils that made the trip such an enjoyable experience.

Mrs Grayson

BARNSTONDALE CENTRE

# Year 8 Barnstondale 2022

# 9SF

9SF enjoying our Jubilee party

Rhiannon, Declan and Kya getting involved with World Book Day

Callum, Lucas and Kya developing their independence skills by making a sandwich and decorating biscuits

Declan, Rhiannon, Logan and Callum taking part in a mindfulness craft activity.

Erin, Declan and Rhiannon enjoying Science Club

Erin, Logan, Kya and Lucas enjoying film time

# 9B

This year the boys in Form 9B have been amazing. It has been a privilege to be their form tutor and, lucky me, I will be their form tutor next year as they start their options in Key Stage 4.

They have done so brilliantly well, having started in Year 7 and got through to March before Lockdown #1 stopped them having a full normal Year 7. Year 8 was also affected by the pandemic. So, to come back in September with all the uncertainty that was around and for them to have settled and done so well, is fantastic!

Each student in this form has developed their confidence, their self-esteem, their skills and personal qualities and is self managing their emotions better and better.

I look forward to being their form tutor next year and working closely with them and their parents to help them achieve their full potential here at Clare Mount.

Mrs Boyle

# FORM

What a busy time 6th Form have had at Woodchurch farm! Pupils dug up lots of potatoes. We planted pumpkins and beans taking care to tease out the roots before putting them into the soil. The lambs had their last feed from a bottle too. Joe tried out being a witch on a broomstick, then walked Walter the tortoise.

# FORM

We moved ducks to their new cooler space in the shade with pool and mocktails! Four students carried each of the ducks very carefully making certain that their wings remain close to their bodies. Then the students cleaned out the goat, alpacas and horses fields!

Miss Vicars

## & Creativity

Our Culture and Creativity theme this year was 'moving'. Pupils moved between six activities; these included an inflatable assault course, where pupils (and some staff) raced each other in pairs from one end to the other. In the Performing arts activity (dance and drama), students sang 'Move On Up' by Five, remember them?! They didn't stop there as Mr Gore taught them 'Moving On Up' by M People, very retro! They were in fine voice. Next stop, an American diner led by our office staff. Hotdogs, games and jiving! Mrs Booth, Mrs Stephenson and Mrs McLeod ran a dream catcher craft session. Each pupil made their own dream catcher to represent Mrs Webster's dream of a big school for our students. Next, transport and falconry. We welcomed Stuart from the Wirral Transport museum, Gavin, Oliver and Jim who collectively brought a double decker bus, a restored Dexter tractor, old bike and vintage Ford car onto the school yard! Our other visitors were the fabulous folk from Cheshire Falconry who flew some magnificent birds of prey and shared lots of facts.

Thanks to everyone who led a workshop and well done to all pupils who joined in with the activities.

Miss Vicars

# CULTURE

# & Creativity

**COME ON ENGLAND!**

# WOMEN'S EURO 2022

On Wednesday 6th July, Clare Mount girls went to Old Trafford, home of Manchester United, to watch England V Austria in the Euro's 2022. We arrived early and visited Fan park pre-match to soak up the atmosphere with music, dancing and football vibes! The girls got chance to purchase their England football memorabilia and pick up a few freebies along the way! The excitement on the girls faces when we arrived at the stadium and they saw the pitch lit up in all its glory was emotional. The opening ceremony was something to behold with a selection of live performances, music, fireworks, fire, smoke machines, a truly memorable occasion. Soon after the game began and Beth Mead went on to score a magnificent goal in the first half against Austria. The England Lionesses went on to win with a full time score of 1-0. Come on  England! And well done Clare Mount yet again for making us proud with your exceptional behaviour and team support.

Mrs Kearsley

# Y7 & 8 Commonwealth Games Day

In Celebration of the Birmingham 2022 Commonwealth Game this year, our year 7 and 8 pupils took part in a Commonwealth Games Day on Tuesday 28<sup>th</sup> July. This event was delivered by our fantastic PE team, along with some brilliant coaches from Wirral Taekwondo Academy and Golf Starz.

Our Youth Sports Trust Athlete Mentor, Jenna Downing, was also able to share her amazing story of how she became World Champion and 10 x British Champion Inline Skater.

Year 7 and 8 students were grouped and given a Commonwealth Country to represent throughout the event. The teams were United Kingdom, Canada, South Africa, Australia and India. Throughout the event, students took part in a range of sporting activities which supported the development of confidence, self-esteem, resilience, social connection and team work. These activities included Tag Rugby, Golf, Team Building workshops, Taekwondo and Commonwealth Games Personal Challenge activities. All activities were supported by our amazing team of Sports Leaders and Healthy Lifestyle Champions.

The students had a fantastic time and learnt so much! Mr. Ritchie will be inundated at tag rugby club from now on!

Well done Year 7 and 8!

Mrs Corcoran

## Platinum School Games Mark

Once again Clare Mount Specialist Sports College has achieved the Platinum School Games Mark Award.

The School Games Mark is a government-led awards scheme launched in 2012 to reward schools for their commitment to the development of competition across their school and into the community. Participating in this process allows schools to evaluate their PE provision and assists them in developing an action plan for future progress.

We are the first school of any kind in Wirral to be awarded Platinum for the second time! The award is testament to the fantastic sporting opportunities on offer to our students here at Clare Mount. We are extremely proud of all the staff and pupils who contributed to this fantastic achievement.

Congratulations Team Clare Mount!

Mrs Corcoran

## Healthy Lifestyle Champions: P16 Taekwondo Sessions

At Clare Mount we have a team of Healthy Lifestyle Champions. The role of a Healthy Lifestyle Champion is to act upon student voice, supporting our pupils to explore ideas, activities and methods to help us to stay healthy and active, both physically and mentally, here at Clare Mount.

As part of their role, our Healthy Lifestyle Champions are responsible for identifying and setting up enrichment activities that support our wellbeing. During this term our Post-16 students were able to take part in 6 weeks of Taekwondo sessions, organised by the Healthy Lifestyle Champions and delivered by the fantastic Taekwondo instructors from Wirral Taekwondo Academy.

The students loved the sessions and found that taking part really helped them to stay active and healthy, both physically and mentally. At the end of the 6 week block of sessions, each student was provided with a voucher to attend the Academy for four free Taekwondo sessions. Some students enjoyed their Taekwondo experience so much that they plan to join the local Taekwondo Academy to continue their activity. Special mention goes to our Post-16 student Sam, who is working towards his black belt and proved to be an excellent Taekwondo leader!

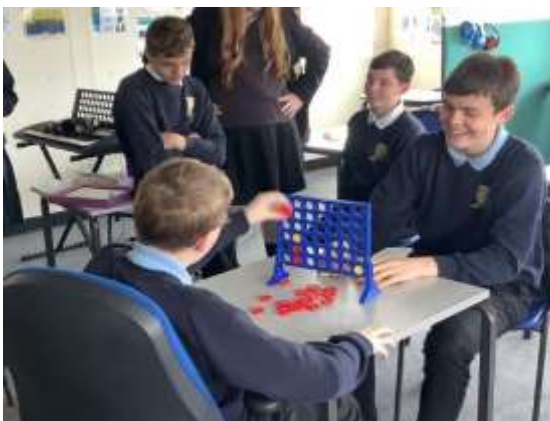

Well done to our P16 Taekwondo team!

# Year 8

8Go have had a busy year and have achieved so much due to their positive attitudes and hard work in school. They have enjoyed social games, Connect 4 tournaments and many form activities.

They had a great day at the British Music Experience and Albert Dock at the end of term and are looking forward to starting Year 9!

## Clare Mount gets its third Guide Dog puppy

As you know Mills left at the beginning of June to start his formal training as a Guide Dog.

A week later our new puppy Robbie arrived.

Robbie is a 5-month-old Retriever cross German Shepherd. He has settled very quickly and loves meeting students and staff around school. He is looking forward to perhaps coming into some classes in September.

Mrs Nokes

## Clare mount pupils receive art awards

This is the first year we have entered Dot art for the school's annual exhibition for year 9.

On Thursday 9<sup>th</sup> June, 2022, Dot Art arranged a secondary prize giving and exhibition launch at the iconic Liver Buildings. You can see the work of all of the pupils from Clare Mount if you log into dot art schools. Judges from dot art chose three pupils from each school. The general public then had an opportunity to vote. The results for Clare Mount were, Rhiannon 3<sup>rd</sup>, Callum 2<sup>nd</sup> and Lewis 1<sup>st</sup> prize.

Lewis and his family attended this great event along with Mr Johnson, Mr Byrne and Ms Evans.

**Lewis's art work was exhibited there along with all the other schools' winners. The exhibition was open until Friday 24<sup>th</sup> June.**

It was great to see the evident pride of families and students as their names were called out and they received a certificate from the Lord Mayor of Liverpool, Cllr Roy Gladden.

**Well done to all the year 9 pupils who took part in this year's competition, in particular Rhiannon, Callum and Lewis.**

Mr Johnson

# Kids eat for less or for free during Summer 2022

## **MORRISONS**

Spend £4.99 to get a free kids meal after 3pm daily, normally all day during half term.

## **ASDA CAFE**

Kids eat for £1 every day with NO need for a paying adult from 25th July - 4th Sept, 2022.

## **DUNELM**

One free mini main, two snacks and a drink for every £4 spent in the in-store cafe.

**YO!** Kids eat free from 3pm-5:30pm Mon-Thurs for every £10 spent on food.

## **BEEFEATER & BREWERS FAYRE**

Free breakfast for two children under 16 with every paying adult.

## **HUNGRY HORSE**

Free kids breakfast with an adults breakfast from 9am-12pm daily.

## **IKEA**

Get TWO kids hot meals, fruit, drink and jelly for £5 in their Swedish restaurants (subject to availability).

## **BELLA ITALIA**

Kids eat for £1 with each adult meal from 4-6pm on Mon-Thurs.

## **DOBBIES**

Kids eat free with an adult main meal.

## **TABLE TABLE**

Two children under 16 get a free breakfast with one paying adult every day.

## **CAFE ROUGE**

Kids eat for £1 with an adult meal excluding Saturday.

## **MORE TO COME!!**

M&S, TESCO and more expected soon, see websites for latest information.
