Main barriers to educational achievement for students:

- ❖ Literacy difficulties
- ❖ Missed learning
- ❖ Social & Emotional difficulties
- ❖ Difficulties engaging in lessons

Clare Mount Specialist Sports College

Using Pupil Premium Funding to overcome these barriers:

Intent	Implementation	Expected Impact
Developing literacy skills for students in all Year Groups	<ul style="list-style-type: none"> • Smaller teaching groups • Clear focus on assessment and intervention • High staff – pupil ratio • Whole school approach to literacy • Form time literacy • Small group literacy lunch club • Library Club 	<ul style="list-style-type: none"> • Students are safe and settled in lessons • Students’ literacy levels assessed and recorded • Interventions in place where necessary • Resources bought to aid catch-up in reading • New low ability / high interest reading books acquired • Students reading in Library • Reading scores increased
Increased attendance through support for students and their families	<ul style="list-style-type: none"> • Form Tutor / Head of Year to engage in weekly communication with families • AHT working closely with LA for families in crisis • Learning Mentor and CM Support Team supporting students and their families 	<ul style="list-style-type: none"> • Students with fear of COVID supported back into school • Students supported with completing work whilst at home • Families feel supported • Students supported on return to school including having sensory, physical and health needs met
Social and Emotional Support	<ul style="list-style-type: none"> • Clear focus on Well-being. • Emotional and social development a priority for all students • A trusted adult available when necessary • Fun and outdoor activities offered to promote a feeling of well-being – Forest School / Environment Educ. 	<ul style="list-style-type: none"> • Students have positive mental health • Students know who they can talk with • Students able to engage in learning • Students having fun • Students gain understanding and love for outdoors
Engagement in learning	<ul style="list-style-type: none"> • Learning Mentor to support student in lesson if necessary • Teaching Assistants to help students maintain focus • Small class sizes enable personalised learning • Technology to help students read independently • Google classroom training and resources 	<ul style="list-style-type: none"> • Students attend and remain in lessons • Students produce work that they are proud of • Students needs are being met and they are being aspirationally challenged • Students can work independently which boosts self-esteem

Clare Mount Specialist Sports College
