*It has been a challenging year for all. However, Heads of Departments worked tirelessly to ensure that the suggested grades provided to OFQUAL were commensurate with Clare Mount's previous years and also were a fair reflection of individual students' abilities. They also had the unenviable task of ranking all students. Our Examinations Officer, coordinated these tasks magnificently; including the delaying and then re-issuing of the BTEC qualifications once Pearson re-moderated nationally.*

*Well done to all our students who worked hard over their five years at Clare Mount, achieving results that were well-deserved!*
