Dear Parents and Carers,

We hope you had a restful half-term break.

Our Curriculum This Half Term

As we continue with our spiral curriculum, this half term every year group will be focusing on the theme **“Celebrating Difference”**. Students will be exploring how understanding and respecting difference helps us to build a happy, healthy and inclusive society.

- **Year 7** – How to deal with conflict, and recognising forms of prejudice and discrimination – including those they may experience themselves.
- **Year 8** – Social injustice, historical prejudice and discrimination, LGBT+ rights, and how to be an ally for minority groups.
- **Year 9** – The Equality Act 2010, historical and current issues relating to racism and unconscious bias.
- **Year 10** – What Equality looks like in Britain in 2025 – focusing on disability, discrimination and diversity.
- **Year 11** – This half-term students will focus on Preparing themselves for adulthood and in particular exam preparation.

Working Together

As always, if you would like support in discussing any of these topics at home, or if you would like further information, please don't hesitate to get in touch.
